

## Technical Data Sheet

**Product Code** : 3103M  
**TDS Number** : 013  
**Revision** : 02

**Description** : A Black or off white non woven flame retardant fabric.  
This fabric must no be used in areas of high relative humidity.

### Construction

**Fibre Type** : 100% Viscose  
**Binder Type** : Vinyl Chloride Ethylene  
**Flame Retardant Type**: Organic Salt

### Product Performance Characteristics

Test	Units	Value	% Tolerance Mean	Individual	Method
Weight	gm <sup>2</sup>	53	+/-10	+/- 12.5	BSEN29073-1
Thickness	mm	0.35	+/-15	+/- 20	BSEN29073-2
Tensile m/c	N/50mm	55		35 minimum	BSEN29073-3
Flame Retardency	Rating	O			UK National Building Regulations BS476

*This information is provided in good faith, no warranty is implied. The customer must undertake evaluation to ensure "fitness for purpose, compatibility with other components/packaging materials, sterilisation validation and ageing studies.*
